

DEMONSTRATION

**END POLITICAL STUBBORNNESS REGARDING ASYLUM LAWS!
ENABLE HUMANE LIFE FOR REFUGEES IN BAVARIA!**

ABOLISH LAGERPFLICHT!

When: TUESDAY, 04.11.2014: 6 pm

Where: Start: Staatsministerium des Inneren, near Odeonsplatz

The prevailing chaotic and miserable situation concerning accommodation of refugees in Munich and whole Bavaria is widely known from the media. Despite the foreseeable rise of the number of arriving refugees, the state government did not take any measures to provide **humane accommodation** and **sufficient medical care** for them. Moreover, a stiff and inflexible system deploying refugee camps is arranged by the procedure of subsequent placement, while housing in private flats would improve the situation substantially.

As a reaction to the home made drawbacks the Bavarian state government is trying to blame the arriving asylum seekers by denying their need for protection (keyword: „Asylmissbrauch“ - abuse of asylum).

This attitude of the state government and their refugee policy is a disgrace! It is unacceptable to see asylum seekers sleeping in tents or even outside in the winter in this wealthy state!

Therefore we claim:

EMERGENCY ACCOMODATION LIKE TENTS, FURNITURE STORES, TANK HALLS AND OTHER SHABBY CAMPS HAVE TO BE CLOSED URGENTLY! NEWLY ARRIVING REFUGEES MUST BE ACOMMODATED HUMANELY!

THE FORCE TO LIVE IN CAMPS (LAGERPFLICHT) HAS TO BE ABOLISHED IMMEDIATELY! REFUGEES MUST OBTAIN THE RIGHT TO LIVE IN PRIVATE HOUSINGS!

PRIME MINISTER SEEHOFER, INTERIOR MINISTER HERRMANN AND MINISTER OF SOCIAL AFFAIRS MÜLLER MUST INSTANTLY STOP THEIR POLITICAL INSANITY WITH RESPECT TO ASYLUM LAWS! REFUGEES SHALL FIND SECURITY AND A PERSPECTIVE! THEY HAVE TO BE ENABLED A SELF-DETERMINED LIFE!
